Manipur: 13 held for circulating sexually explicit content on social media

IMPHAL, Oct 13: Thirteen people, including a juvenile, were held in Manipur for allegedly circulating sexually explicit content on social media and monetising it, police said on Tuesday.

An FIR was registered at Moirang police station in Bishnupur district after information was received that administrators and users of multiple Telegram channels were allegedly circulating, trading and monetising non-consensual sexually explicit videos and photographs of local women, including child sexual abuse material, they said.

Police said they launched an investigation, codenamed 'Operation Dignity', and arrested 12 people and detained a juvenile.

The arrests were made in Bishnupur, Imphal West and Kakching districts over the last few days, police said.

Police said they seized a total of 14 mobile phones in the operation.

The operation was launched after a tip-off was received on October 3. A suo motu case was registered under the IT Act, POCSO Act, and BNS.

During the course of investigation, the "network status" of over 150 channels/groups was identified.

An investigation is underway to identify the wider network, trace financial transactions and establish whether there are additional victims, they said. *(PTI)*

Lalduhoma urges banks to boost lending, help raise Mizoram's credit-deposit ratio

'Our govt has set a target of raising Mizoram's CD ratio to at least 67 per cent by 2028-29'

AIZAWL, Oct 13: Chief Minister Lalduhoma on Tuesday urged banks and financial institutions to adopt a more proactive approach to lending and help raise the state's credit-deposit (CD) ratio to at least 67 per cent by 2028-29, saying greater access to institutional credit is crucial for unlocking Mizoram's economic potential.

Addressing the third edition of the North East Bankers' Conclave at Mizoram University (MZU) here, Lalduhoma said Mizoram recorded a CD ratio of 55.83 per cent during 2025-26, indicating considerable scope to expand institutional lending.

He said that seven banks operating in the state had a CD ratio below 40 per cent as of June 2026, compared with 73.52 per cent in Assam, 61.1 per cent in Nagaland and 61 per cent in Tripura.

"Our government has set a target of raising Mizoram's CD ratio to at least 67 per cent by 2028-29. Achieving this will require the commitment of every bank and financial institution operating in the state," Lalduhoma said.

The chief minister urged banks to set clear, district-wise and time-bound lending targets and strengthen their outreach beyond Aizawl.

Expressing concern over the performance of the annual credit plan in key sectors, he said that during 2025-26, target achievement stood at 8.56 per cent in agriculture, 49.53

per cent in MSMEs and 13.52 per cent in the other private sector.

While agriculture and the other private sector showed slight year-on-year improvement, MSME performance declined, he said.

The chief minister said that agriculture, MSMEs and the private sector were vital for broad-based economic development and stressed that the success of credit plans should be measured not merely by funds disbursed but by the productive activities, employment and improved livelihoods generated.

Lalduhoma also called for greater corporate social responsibility (CSR) investment in the Northeast, noting that CSR spending in the country, which exceeds ₹ 34,000 crore annually, has historically been concentrated in industrialised states.

The Northeast, with its strategic location, international borders, rich biodiversity and young population, requires greater corporate engagement to unlock its socio-economic potential, he said.

Highlighting the state government's efforts to strengthen coordination with banks, Lalduhoma said its flagship 'Bana Kaih' or handholding scheme was being implemented in partnership with five banks — State Bank of India, Mizoram Rural Bank, Mizoram Cooperative Apex Bank, Union Bank of India and IDBI Bank.

He said that the government had also signed agreements with eight banks on September 7 under the One Department, One Bank (ODOB) initiative to improve coordination between government departments and partner banks and make financial management more efficient.

On digital financial management, Lalduhoma said Mizoram had onboarded all centrally sponsored schemes notified for implementation through the SNS-SPARS platform.

The state's integrated Financial Management Information System (ifMIS) had also been integrated with the RBI's E-Kuber system and the Public Financial Management System (PFMS), he said.

He said that the state government is also working towards doing away with the cheque system and expressed hope that the transition could be completed within a year.

The Mizoram chief minister also identified tourism and hospitality, healthcare and education, vocational and skill training, agro-horticultural processing, handloom and handicrafts, bamboo-based industries, manufacturing and services, trade and commerce, and warehousing and logistics as key areas offering opportunities for credit growth.

Urging banks to look beyond conventional lending patterns, Lalduhoma said financial institutions should work with entrepreneurs to develop bankable projects suited to the state's emerging economic opportunities.

"The potential is here. The entrepreneur is pretty serious here. Our task is to bridge the gap between that potential and the financial resources needed to realise it," he said.

He further said that the state government is ready to work with banks to address practical difficulties and policy-related obstacles affecting lending. *(PTI)*

Manipur: Myanmar national among 2 arrested, 900 gm of brown sugar seized

IMPHAL, Oct 13: Two persons, including a Myanmar national, have been arrested and 900 gm of brown sugar seized in Manipur's Churachandpur district, a police statement said on Tuesday.

Acting on a tip-off, a police team nabbed a 37-year-old woman, identified as Chingmuanchin Samte, from Khupgou village and seized 45 soap cases containing 900 gm of brown sugar from her possession, it said.

On the basis of inputs provided by her during questioning, her supplier, 33-year-old Myanmar national Paumuonthang Tungnung, who resided at Boljol village in the district, was also arrested.

A case under the NDPS Act and the Immigration and Foreigners Act was registered at Churachandpur police station, it added. *(PTI)*

Mizoram aims for 'Winter Capital' of India's tourism tag, 12 lakh travellers by 2030: Minister Hmar

AIZAWL, Oct 13: Mizoram aims to increase its annual tourist footfall to 12 lakh by 2030 and looks to position itself as the 'Winter Capital of India' with improved connectivity to the hill state, State Tourism Minister Lalnghinglova Hmar said on Tuesday.

Speaking on the sidelines of the three-day 'Mizoram Travel Fest 2026', which kicked off here on Tuesday, he said the state has already seen a 51 per cent rise in tourist arrivals this year and is building its tourism sector based on community-based events and sustainable activities.

"Mizoram has historically lagged other northeastern states in tourist arrivals. However, it has now emerged as one of the leading tourist destinations in the region with a sharp rise in tourist inflow in recent years, particularly following the inauguration of the Bairabi–Sairang rail line in September 2025," the minister told PTI here.

He pointed out that the state, cradled by verdant hills, recorded an impressive 97 per cent growth in tourist arrivals between 2024 and 2025. "With better connectivity, the state has received more than 6.7 lakh visitors between January and August this year, recording a 51 per cent increase compared to 2025."

Anticipating an even greater increase in tourist inflow during the upcoming winter, Hmar said, "Mizoram's longer-term vision includes 12 lakh tourist arrivals by 2030 and 20 lakh by 2047, alongside the expansion of accommodation capacity and development of 10 Culture, Adventure and Nature (CAN) tourism circuits connecting 40 destinations by 2047."

The minister said the state is seeking to transform into a year-round tourism economy while positioning itself as India's 'Winter Capital' with rising visitor numbers and expanding investment.

"A distinctive strand of Mizoram's tourism ambition is to position itself as India's 'Winter Capital' through a flagship winter festival and a calendar of seasonal experiences. Planned offerings include music and cultural programmes, food and craft fairs, flower showcases, agro-tourism, sports, adventure activities and village-hosted celebrations," he added.

Mizoram's Christmas traditions, including community feasts, choirs, carol singing, parades and illuminated towns and churches, offer the foundation for a distinctive winter tourism proposition.

Hmar further said, "Presenting this living tradition to domestic and international visitors will give Mizoram a distinctive identity on India's winter tourism map. It will also strengthen local livelihoods and sustainable, community-led tourism."

"Through sustainable community-led development, Mizoram aims to showcase its culture, adventure and natural beauty to the world while preserving its heritage for generations to come," he said.

The upcoming calendar includes the Leitlangpui Music Festival in Lunglei from November 11 to 13 and the Winter Festival in Aizawl from December 15 to 23. The ongoing Hnahsin Kut or Cosmos Festival in Champhai, scheduled until October 16, is also being highlighted during the ongoing Mizoram Travel Fest.

Some other tourism festivals are Tlaizawng Paradise (Cherry Blossom Paradise) at Phuaibuang village in Saitual on December 17 and 18, Sakawrhmuituai Sunset in Sihphir on December 31 and Chepa Nunchan on January 2 at Darzo village in Hnahthial.

Talking about the community participation, Hmar said, "Mizoram Tourism puts communities at the heart of every event. Our tourism festivals, cultural events and destination-based initiatives are designed to benefit host villages and towns, where local people are not just spectators but active participants and beneficiaries." *(PTI)*

Scindia urges students to become innovators, custodians of Mizo values

AIZAWL, Oct 13: Union DoNER Minister Jyotiraditya Scindia has urged students of Mizoram University and those participating in the Ashtalakshmi Darshan (Phase-II) programme to look beyond conventional career choices and become problem-solvers, innovators and responsible contributors to society.

Interacting with students at Mizoram University (MZU) on Monday, Scindia said a career should not be viewed merely as a means of securing employment but as an opportunity to identify problems and develop solutions that create value for communities and the nation, according to an official statement.

Congratulating the university on completing 25 years, he drew a parallel between Mizoram University and the Department of Development of North Eastern Region (DoNER), both established in 2001 during the tenure of former prime minister Atal Bihari Vajpayee. *(PTI)*

8 Tripura places to be named as Seva Jyoti Chowk to commemorate PM Modi's journey of public service

AGARTALA, Oct 13: Tripura Chief Minister Dr Manik Saha on Tuesday said the state cabinet approved a proposal to name eight locations across the state as Seva Jyoti Chowks to commemorate Prime Minister Narendra Modi's long journey of public service and promote the vision of a Viksit Bharat by 2047.

Boards promoting government programmes will be erected at those Chowks, or road crossings, to make them serve as landmarks, the chief minister said in a press conference after the cabinet meeting.

Saha said the cabinet also passed a resolution congratulating Modi on completing 25 years of uninterrupted service as head of government from October 7, 2001 to October 7, 2026.

He said that the state will name eight places in eight districts as Seva Jyoti Chowks, which will serve as public landmarks promoting social responsibility, cleanliness drives, voluntary service and tree plantation.

Besides, those Chowks will encourage community participation and awareness of welfare schemes, ensuring that benefits of government programmes reach all beneficiaries and strengthen collective responsibility for social and national development.

The CM said, "The resolution congratulating the Prime Minister recognised his contributions to nation-building, good governance, national security, public welfare and strengthening India's global standing."

Saha stated that major achievements of Modi include launching of One Rank One Pension, creation of the Chief of Defence Staff, labour reforms, replacement of colonial-era criminal laws and abrogation of Article 370.

He also cited the 2016 surgical strikes, the 2019 Balakot air strikes and Operation Sindoor in May last year.

The chief minister said Tripura had benefited from the Centre's development initiatives in road and railway connectivity, infrastructure, urban development and healthcare. *(PTI)*

Mizoram seeks community-led tourism push, focus on lesser-known destinations

AIZAWL, Oct 13: Mizoram Tourism Minister Lalnghinglova Hmar on Tuesday called for greater community participation in tourism promotion while emphasising the need to preserve the state's rich cultural heritage and natural resources. Inaugurating the three-day Mizoram Travel Fest at Aijal Club here, Hmar said that tourism in the state is witnessing visible growth and stressed the importance of promoting community-based tourism without compromising Mizo traditions and culture.

He said that cooperation among tourism professionals, tour operators and local communities is crucial for developing the sector, adding that traditional Mizo values such as helping those in need, caring for others and extending hospitality to visitors could be important assets in attracting tourists.

Hmar said that festivals organised to attract visitors also create livelihood opportunities for local communities and cited the recent 'Tlaizawng' (Cherry Blossom) flower festival at Phuaibuang in Saitual district near the Manipur border as an example.

He said that tourism is increasingly expanding beyond Aizawl as rural areas offer visitors opportunities to experience authentic Mizo cuisine and traditions.

The minister announced that the government would continue to upgrade tourist lodges under the Tourism department and said that privately run homestays also played an important role in accommodating visitors.

He said that homestays could generate employment opportunities for youths and women and urged operators to maintain high standards of hospitality and cleanliness.

Describing the Association of Tour Operators Mizoram (ATOM) as an important link between the state and tourists, Hmar urged tour operators to promote lesser-known destinations. He said that even local residents had not explored many of Mizoram's scenic locations, underlining the need to showcase them more widely.

Emphasising the state's forest wealth, Hmar said Mizoram's natural beauty was a major attraction for tourists and needed to be protected by the younger generation.

He called for promotion of eco-tourism without damaging forests and wildlife and said that efforts should also be made to reduce single-use plastic in tourism-related activities.

Hmar also highlighted Mizoram's potential as a destination for research and educational visits, saying the Tourism department would work with the Environment, Forests and Climate Change Department and Mizoram University to facilitate visits by students to different parts of the state. *(PTI)*

Meghalaya inducts fellows to support education reforms

SHILLONG, Oct 13: Meghalaya has inducted its first batch of young professionals under a fellowship programme that will place them in all 12 districts to support education reforms, Chief Minister Conrad K Sangma said on Tuesday.

At the induction ceremony of the Chief Minister's Leadership in Education and Development (CMLEAD) Fellowship at his residence here, Sangma and Education Minister Lahkmen Rymbui handed over laptops to the fellows.

The CMLEAD Fellowship is a state-led initiative aimed at embedding skilled young professionals within Meghalaya's education system to accelerate reforms at the district level.

The fellows will work closely with Samagra Shiksha, the Directorate of Educational Research and Training (DERT) and district education offices to support the design, coordination and implementation of priority initiatives.

Explaining the rationale behind the programme, Sangma said governance could not be limited to political, bureaucratic or administrative processes and required active participation from communities and society to assess whether government initiatives were achieving their intended objectives.

"Participation from community, participation from society" is essential, he said, adding that officials and politicians often became so occupied with day-to-day work that they failed to see what was happening on the ground.

"Making a new building is not making education necessarily better. It is providing the infrastructure. But education becomes better when that building helps a child to get education, and the quality of education goes up," the chief minister said.

He said the fellows could help bridge the gap between policy decisions and the realities faced by students and teachers in schools. *(PTI)*

HDFC BANK We understand your world

Registered Office: HDFC Bank House, Senapati Bapat Marg, Lower Parel (West), Mumbai - 400 013 and having one of its office as Retail Portfolio Management at HDFC Bank Ltd, 1st Floor, I-Think Techno Campus, Kanjurmarg (East),Mumbai – 400042.

SALE INTIMATION AND NOTICE FOR SALE OF SECURITIES PLEDGED TO HDFC BANK LTD.

The below mentioned Borrowers of HDFC Bank Ltd. (the "Bank") are hereby notified regarding the sale of securities pledged to the Bank, for availing credit facilities in the nature of Loans/Overdraft Against Securities.

Due to persistent default by the Borrowers in making repayment of the outstanding dues as per agreed loans / facilities terms, the below loan / facilities accounts are in delinquent status or classified as NPA (Non-Performing Asset). The Bank has issued multiple notices / loan recall notice to these Borrowers, including the final sale notice on the below-mentioned date whereby, Bank had invoked the pledge and provided 7 days' time to the Borrower to repay the entire outstanding dues in the below accounts, failing which, Bank would be at liberty to sell the pledged securities without issuing further notice in this regard.

The Borrowers have neglected and failed to make due repayments, therefore, Bank in exercise of its rights under the loan agreement as a pledgee has decided to sell / dispose off the Securities on or after **22nd October 2026** for recovering the dues owed by the Borrowers to the Bank. The governor urged the NCC to establish more units in schools situated in far-flung regions

Arunachal governor urges expansion of NCC network in remote, border areas

ITANAGAR, Oct 13: Arunachal Pradesh Governor K T Parnaik on Tuesday called for expanding the National Cadet Corps (NCC) network across remote and border areas of the state to empower rural and tribal youth through leadership and character-building programmes.

The governor made the remarks during a meeting with Brig Mayank Vaid, Group Commander of NCC Headquarters, Tezpur, who called on him at Lok Bhavan here, an official statement said.

Commending the NCC HQs for its outreach in the state, Parnaik lauded the dedication and active participation of Arunachal cadets in national events such as the Republic Day parade and the Prime Minister's rally. He emphasised that the organisation must continue to instil core values including discipline, patriotism, unity, and a spirit of public service among

young people.

Stressing the need for broader inclusivity, the governor urged the NCC to establish more units in schools and colleges situated in far-flung regions.

Such an expansion, he said, would provide rural and tribal youth with essential opportunities for personal growth, confidence building, and leadership development.

To make the programmes more dynamic, the governor advocated for an increased focus on adventure activities, trekking, mountaineering, disaster management, environmental conservation, and national integration initiatives in coordination with the Indian Army and security forces.

Parnaik further underscored the necessity of upgrading training infrastructure, deploying qualified instructors, providing adequate equipment, and organising regular camps.

Integrating robust physical fitness routines, personality development modules, and structured career guidance into NCC curricula would effectively prepare cadets for careers in the Armed Forces, Agniveer opportunities, and other public services, he added. *(PTI)*
